

How to fold a pressman's hat.

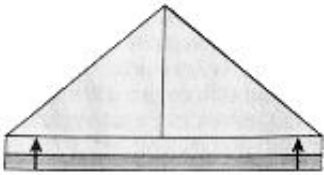

Printing press operators made these to keep ink out of their hair.

For home delivery including all digital access, please call 304-348-4800.

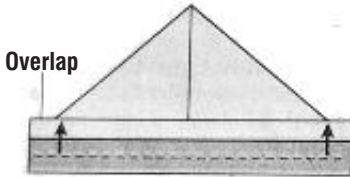

Start with a (doubled) sheet of newspaper.
Position fold at the top.

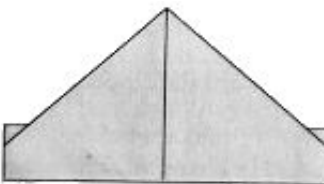

1 Fold corners inward until they meet in center.

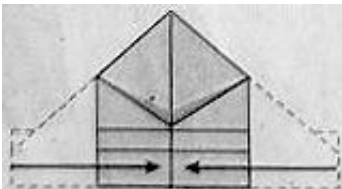

2 Fold first sheet of bottom half up, until it meets the bottom of edge of the folded corners.

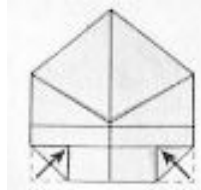

3 Then fold up the same way again.

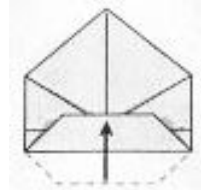

4 Flip over.

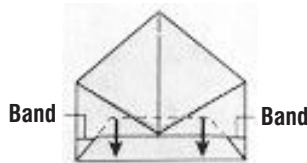

5 Fold outside edges in, so they meet the center

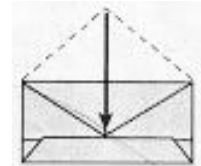

6 Fold up corners.

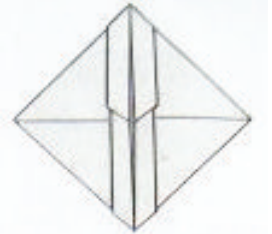

7 Fold up bottom creating a flap.

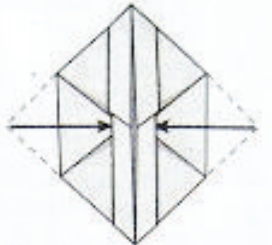

8 Fold flap in half lengthwise and tuck behind band.

9 Fold top point down and tuck in behind same band.

10 Slowly pull apart the bottom on the front and back, opening up the hat. Then carefully flatten it so it looks like this.

11 Fold in corners and tuck behind bands

12 Spread open center with your thumbs and flip over.
